Dear Mr. Cohen,

My name is Brandon and I am a 4th grader at The Harker School in San Jose, California.

My family is worried about how fast COVID-19 is spreading and Michigan is the 3rd most impacted state in America.

We would like to donate PPEs to Michigan. My English teacher Anna Smitherman is a Michigan native and an alumni of University Michigan. She has

been kind and fun to me and my classmates.
Her brother who still lives in Michigan
suggested that we donate to your hospital.
Ms. Smitherman's brother said that Beaumont
Hospital is the most in need of PPEs because
you are helping people fighting COVID-19.

We are donating you 500 surgical
face masks, 130 protective gowns, and 130
protective goggles. Could you please give
them to the doctors and nurses that are fighting
on the front line? **THANK YOU!**

Love,
Brandon Chung Du
